

IGLYO AMC Attendance **Priority Checklist**

Everyone should have the opportunity to attend IGLYO's Annual Members' Conferences, just like all identities should be equitably represented in the discussions. To decide which representative of your organisation should attend the IGLYO AMC Podgorica 2023, we warmly encourage you to consider sending a representative who:

-  Has never attended an IGLYO AMC
-  Rarely gets travel opportunities
-  Is between 18 and 30 years old and passionate about LGBTQI youth issues
-  Has intersecting marginalised identities
-  Feels safe and comfortable traveling and being in groups
-  Has the time and capacity to attend
